

## District Grading Policy for General Music Class

Quarterly grades for sixth grade and eight grade students participating in general music class will be based on the following criteria: Class Participation, Class Preparation, Classwork/Homework, and Tests/Quizzes. In each of these areas, student achievement will be assessed and quarterly grades will be calculated using a percent system. Guidelines for this grading policy are outlined below.

### Class Participation (40%)

- A. Student is prompt and attends class
- B. Student plays an active role
- C. Student is attentive and follows directions
- D. Student supports, engages, and listens to peers

### Class Preparation (10%)

- A. Student attends class with required materials

### Classwork/Homework (25%)

- A. Student work is returned on the due-date
- B. Students shows understanding of the subject matter

### Tests/Quizzes (25%)

- A. Student assessment will include but is not limited to:
  - Performance tests
  - Written assessments
  - Class projects
